-

Intended Learning Outcomes

On completion of the course, the student is expected to:

- demonstrate advanced skills on the main instrument based on repertoire knowledge and knowledge of stylistic context and history,
- demonstrate the ability to present, in performance, artistic and stylistic depth at high musical level within a defined part of the folk music tradition.

Content

The content is determined by the teacher in collaboration with the student based on course specialisation, which may be style, repertoire or instrument depth.

The following content is included in the course based on course specialisation:

- instrumental technique,
- knowledge of repertoire and style, including stylistic context and history,
- artistic expression including interpretation, variation and improvisation within the style.

Literature and Study Material

The teacher assigns literature and study material continuously during the course.

Entry Requirements

Admitted to KMFM.

Examination

The course is assessed by artistic performance and interpretation test.

Grades

Pass, Fail.
