Intended Learning Outcomes

On completion of the course, the student is expected to:

- demonstrate advanced skills regarding artistic performance and interpretation within chosen musical/artistic specialisation,
- demonstrate ability to identify and diagnose pupils' skills and abilities,
- demonstrate and interpret repertoire at different levels.

Content

The course consists of tuition and relevant seminars within the chosen specialisation as well as didactics seminars and practical teaching. The student and the department agree on examination and examination codes (see above) that are relevant to the student.

Literature and Study Material

The course coordinator assigns literature and study material.

Entry Requirements

Admitted to exchange programme at KMH.

Examination

The course is assessed by artistic performance and interpretation test and practical teaching test as well as a written reflective documentation of the practical teaching.

Grades

Pass, Fail.
