Master's Programme in Folk Music/Art Music from Other Cultures
Application code: KMH-16000

General entry requirements for second cycle programmes:
Bachelor's degree or equivalent.

There are also specific entry requirements:
BA in music and passed entrance tests described below.

LS 23.1 (Huvudämne folkmusik)
Test description

Audition and interview:
You have to prepare and record videos of three pieces with a total duration of 15 minutes including presentation. You are encouraged to choose pieces that reflect your artistic profile. Think of this as a concert performance. All music must be performed by heart. The video performances are to be uploaded to KMH.

A short interview is included. The interview will be based on your written presentation, please see below.

Duration of the test: approximately 30 minutes. (Video performance + interview)

Please note!
In connection with the web application you must send in a written presentation in Swedish or English (2 pages, A4 format) describing your background and what focus you want on your studies, in the shape of an imagined master project. Please upload your presentation by using the same link as when uploading your video audition.

Instructions and criteria for making video auditions
Please use the following instructions when making your video auditions:

- A link for uploading files will be sent to the email address you used when submitting your application on universityadmissions.se. Deadline for uploading files is **February 25, 2022**.
- Please read the test description thoroughly to make sure exactly how many pieces/songs/presentations etc. you should upload.
- Please start your video by showing your ID and a close up of your face. Continue by stating what piece you will be performing and for which test / programme. Your face and hands should be visible throughout the whole performance.
- Please perform only one piece per video clip. No post-production or editing is allowed.
- Make sure the audio sounds good. You are allowed to use the sound from a room microphone or the microphone from your phone. The sound should be without distortion or white noise, and not too much room acoustics.
- Make sure the focus and lighting of your camera is good.
- The recordings are to be uploaded to KMH. You are allowed to use the following file formats: MP4 or MOV.

If these criteria are not met or if the jury finds your video audition modified, you might fail the test.
