Instructions and criteria for making video auditions

Please use the following instructions when making your video auditions:

- A link for uploading files will be sent to the email address you used when submitting your application on universityadmissions.se. Deadline for uploading files is **12 August, 2022**.
- Please read the test description thoroughly to make sure exactly how many pieces/songs/presentations etc. you should upload.
- Please start your video by showing your ID and a close-up of your face. Continue by stating what piece you will be performing and for which test / programme. Your face and hands should be visible throughout the whole performance.
- Please perform only one piece per video clip. No post-production or editing is allowed.
- Make sure the audio sounds good. You are allowed to use the sound from a room microphone or the microphone from your phone. The sound should be without distortion or white noise, and not too much room acoustics.
- Make sure the focus and lighting of your camera is good.
- If you don't have access to a pianist, you're allowed to play your pieces as a solo performance.
- The recordings are to be uploaded to KMH. You are allowed to use the following file formats: MP4 or MOV.

If these criteria are not met or if the jury finds your video audition modified, you might fail the test.
