

Master's Programme in Jazz  
Application code: KMH-17000

**General entry requirements for second cycle programmes:**  
Bachelor's degree or equivalent.

**There are also specific entry requirements:**  
BA in music and passed entrance tests described below.

## **LS 22.1 (Huvudämne jazz)**

Test description

Audition and interview:

The video-audition consists of a programme with music of your choice where improvisation is natural part of the performance. This programme must be no more than 20 minutes long. Links for uploading videos will be sent to you within a few days after deadline for application January 15, and deadline for uploading your video audition is February 25.

Thereafter you will be called for an interview with the jury which will take place in week 11 through Skype / Zoom or similar digital platform.

Duration of the test: approximately 30 minutes (performance + interview).

### **Please note!**

In connection with the web application you must upload a written presentation in Swedish or English (2 pages, A4 format) describing your background and what focus you want on your studies. This presentation is sent to KMH by using the same link as the link for uploading your video audition. Please note that your presentation must reach KMH no later than February 25.

### **Instructions and criteria for making video auditions**

Please use the following instructions when making your video auditions:

- A link for uploading files will be sent to the email address you used when submitting your application on universityadmissions.se. Deadline for uploading files is February 25, 2021.
- Please read the test description thoroughly to make sure exactly how many pieces/songs/presentations etc. you should upload.
- Please start your video by showing your ID and a close up of your face. Continue by stating what piece you will be performing and for which test / programme. Your face and hands should be visible throughout the whole performance.
- Please perform only one piece per video clip. No post-production or editing is allowed, and the video audition should be shot in one single clip.
- Make sure the audio sounds good. You are allowed to use the sound from a room microphone or the microphone from your phone. The sound should be without distortion or white noise, and not too much room acoustics.
- Make sure the focus and lighting of your camera is good.
- The recordings are to be uploaded to KMH. You are allowed to use the following file formats: MP4 or MOV.

**If these criteria are not met or if the jury finds your video audition modified, you might fail the test.**
